

Profile

I design identities and take them to where they are actually seen: a storefront, a vehicle fleet, a stage, an open shop. **Over ten years in brand and art direction**, from the idea to a working system.

Today I design for Grupo GreenCo, integrate AI into my process, build my own PWAs, and I'm looking to join a team where I can grow into art and brand direction.

Experience

2025 – PRESENT

Grupo GreenCo

Brand & Visual Designer

Websites, sales channels and key visuals for three group brands.

- BRAND** Standardized identity: guidelines, iconography, communication.
- ECOMMERCE** Design workflows for high-volume production: **+3000 products**.
- OFFLINE** Fleet branding and in-store presence.

2013 – PRESENT

Willia · since 2026
Pastafrola · 2013–2025

Brand Direction & Design

Identities, visual systems and content for brands across industries.

- IDENTITY** Rebrandings, brands from scratch and brandbooks of up to 55 pages.
- PHYSICAL** Signage, fleets, interiors and events, coordinating suppliers.
- CONTENT** Photo and video direction, coordinating an external crew.
- AI** Claude, ChatGPT, Gemini, Seedance, Higgsfield and Krea.
